## With low deposit, affordable and interest FREE

After your home and your car, your kitchen is possibly one of the largest purchases you will make in your lifetime. For that reason we passionately believe that it must be right. Part of this process is ensuring that the kitchen fits not just your way of life but also your budget. Richard F Mackay can tailor payments from two years interest FREE, through to low rate packages of up to ten years. Let us help spread the cost, or of course we welcome American Express and all debit and credit cards as well.

A typical example of two years interest free 0% APR representative would be:
